Housing and Community Affairs

MISSION STATEMENT

The mission of the Department of Housing and Community Affairs is to: plan and implement activities which prevent and correct problems that contribute to the physical decline of residential and commercial areas; ensure fair and equitable relations between landlords and tenants; increase the supply of new affordable housing; and maintain existing housing in a safe and sanitary condition.

BUDGET OVERVIEW

The total recommended FY08 Operating Budget for the Department of Housing and Community Affairs is \$42,653,460, an increase of \$9,977,380 or 30.5 percent from the FY07 Approved Budget of \$32,676,080. Personnel Costs comprise 18.2 percent of the budget for 88 full-time positions and four part-time positions for 75.5 workyears. Operating Expenses and Debt Service account for the remaining 81.8 percent of the FY08 budget.

Not included in the above recommendation is a total of \$1,637,700 and 14.5 workyears that are charged to: Capital Improvements Program - CIP (\$936,740, 8.0 WYs); Permitting Services (\$82,990, 1.0 WY); and Solid Waste Disposal (\$617,970, 5.5 WYs). The funding and workyears for these items are included in the receiving departments' budgets.

DHCA expects the total signed agreements for affordable housing projects through the PILOT program will abate \$11.9 million in taxes in FY08. The signed agreements are comprised of \$5.8 million for properties owned or controlled by the Housing Opportunities Commission, and \$6.1 million for all other affordable housing properties, including those owned by nonprofit and for-profit companies.

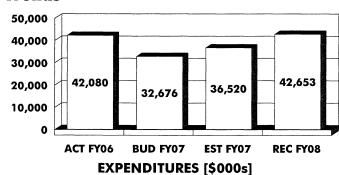

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

PROGRAM DESCRIPTIONS

Multi-Family Housing Programs

This program creates and preserves affordable multi-family housing units. Loans are made to the Housing Opportunities Commission, nonprofit organizations, property owners, and for-profit developers. This program provides funding to:

- preserve existing affordable housing units;
- construct and acquire affordable housing units;
- rehabilitate existing rental housing stock;
- participate in housing or mixed-use developments that will include affordable housing;
- acquire land to produce affordable housing.

Major funding for these projects is provided from the Montgomery Housing Initiative Fund, the Federal HOME Grant, the Federal Community Development Block Grant, and State grants. The program emphasizes the leveraging of County funds with other public and private funds in undertaking these activities.

FY08 Recommended Changes

| FY07 Approved | 19,049,900 | 8.7 |
| FY08 CE Recommended | 28,657,890 | 9.5 |

Single-Family Housing Programs

This program creates and preserves affordable single family housing units. It enforces Chapter 25A of the County Code to ensure Moderately Priced Dwelling Units (MPDUs) are provided and monitored for resale control. The Code requires that 12.5 percent to 15.0 percent of an approved development of 20 dwelling units or more be MPDUs, depending on the amount of density bonus achieved. The housing units produced are marketed at controlled prices, which makes them affordable to low- and moderate-income households. This program provides funding to replace, rehabilitate and weatherize single family housing units and rehabilitate group homes for the special needs population. In addition, this program is responsible for the newly created Work Force Housing Initiative.

Housing Code Enforcement

This program enforces Chapter 26 of the County Code, Housing Maintenance, by inspecting rental condominiums, multi-family

apartments, and single-family housing to ensure safe and sanitary conditions; and Chapter 48, Solid Wastes, and Chapter 58, Weeds, enforcing the residential weeds and rubbish code. Approximately 80 percent of the single-family inspections result from tenant and/or neighbor complaints; other inspections are the result of concentrated code enforcement efforts in specific areas. The multi-family inspections are based on a requirement for triennial inspections and in response to tenant and/or neighbor complaints. This program is supported by the collection of single-family and apartment/condominium licensing fees.

Federal Programs

This program is primarily funded by the Community Development Block Grant, the HOME Grant, and the Emergency Shelter Grant from the Federal government.

The Community Development Block Grant (CDBG) is a Federal Housing and Urban Development (HUD) grant awarded to Montgomery County. It funds both operating activities and Capital Improvements Program projects that meet HUD income and population guidelines.

The HOME Investment Partnership Program Grant, created under Title II of the National Affordable Housing Act of 1990, is intended to increase the stock of affordable housing. The HOME Grant is designed to increase housing choices for low-income households through rental and home ownership programs in cooperation with public, private, and nonprofit organizations.

The Emergency Shelter Grant (ESG) is a Federal Housing and Urban Development (HUD) grant awarded to Montgomery County. It funds both operating and capital expenses related to serving the homeless and preventing homelessness.

Activities may include property acquisition, construction, housing rehabilitation, commercial revitalization, road and sidewalk improvements, handicapped accessible improvements, and a variety of public services involving assistance to low-income persons. Staff carry out the major regulatory requirements related to Federal mandates, including the development and publication of the County's Consolidated plan that identifies the needs of lower-income residents and outlines the action plans addressing those needs.
